1960 Price List

TERMS OF SALES: Prices net. Remittance with order. F. O. B. Loma Linda, Calif.

SHIPMENTS made Parcel Post unless otherwise specified.

- (1) We do not like to ship East of the Rocky Mountains during December and January. However, we will do so at your risk.
- (2) First come, first served is our policy. Please give us at least two weeks in filling your order. Heavy ordering and weather conditions have to be considered.

OUR RESPONSIBILITY ends with the delivery to carrier. However, an immediate report of loss, both to us and the Carrier should assist in settlement. Please check time in transit.

CORRESPONDENCE: In writing us for any reason, which requires an answer; Please send a self-addressed envelope leaving room at the bottom of the page for an answer. This will eliminate Office help and cut the price of Specimen plants to you. Thank you.

ORDERS OF LESS THAN \$5.00 are handled at a loss, please keep your orders above the minimum.

PARCEL POST CHARGES: We require a minimum of \$2.00 Postage and handling for any order.

ALL PLANTS ARE STATE INSPECTED by a certified Agent of California Agriculture Dept.

SELECTIONS made with the greatest care and the best possible plant given for your money. We suggest you write for any that is not listed.

OUR GUARANTEE is for clean healthy specimen, correctly labeled. We can not afford to make good for plants lost thru IMPROPER CARE-OVER WATERING, etc. In case of a spoilage upon delivery, RETURN evidence to us and we will replace the plant at once.

FREE: BOOK ON CARE OF CACTI and SUCCULENTS given with your first order. Additional copies, 50¢

CARE OF PLANTS: REFER TO YOUR REFERENCE BOOK UPON DELIVERY OF PLANTS AND FOLLOW THE INSTRUCTIONS CAREFULLY. Page 22 for potting. Every one could find enjoyment in a well display of Cacti. It also could grow into a valuable collection. This is how we started our business. Though thru necessity, we made a business out of a hobby. No one ever knows what life has in store for him. Give your plants good care. Good Luck!

FREE PLANT: We give a free plant or cutting with each order. (No specimen, of course), but nice varieties.

VISITORS are always welcome to enjoy a most beautiful arrangement of Cacti and Succulents from all over the world. We are always here to welcome you.
